

Date: 31st October 2015**To Whom so It May Concern**

I have known Chatterjee for approximately 6 months from June 2013 to December 2013 as a part of our group at Baroda Chapter at AIESEC.

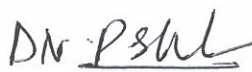

It should go without saying that it is my immense pleasure to recommend one of the most capable, smart, practical, intellectual and ambitious personality I've ever had the pleasure to work with. Shekhar Chatterjee, at AIESEC, the world's largest youth run organization, has shown active participation and exhibited great leadership and teamwork qualities and I can proudly say that he is shaped up to be a role model not just for AIESEC in Baroda but for every AIESEC Chapter that operates in India; Young entrepreneurs and every other person who knows about him would say the same.

Shekhar has always taken up his role seriously, enthusiastically and is passionate about the results oriented with his work. Beyond his passion for driving performance, Chatterjee is a natural and intellectual leader and fights hard for his beliefs. He has played an active role of a being a role model for our 'Youth to Business' initiative, which aims to promote entrepreneurship among young adults to startup and build enterprises. He's at his best in a group environment and is consciously proactive at getting full involvement of all other team members to derive the best results plausible; thereby increasing the scope of knowledge-sharing among his peers and making the sessions interactive and helpful.

I have the deepest personal and professional respect for Chatterjee, and sincerely believe that he will bring his unique energy, optimism, enthusiasm, and tireless creativity to any university or organization he's associated with. He has my highest endorsement and at very personal level, I believe that Shekhar not only is a great learner but also a great associate who believes in sharing of knowledge and community growth. If you have any questions about this recommendation or my endorsement of Shekhar, please do not hesitate to contact me and I will be glad to help.

Yours Sincerely,

Div Shah
